## Hospice at Home Wine & Beer Tasting

**South Haven, Michigan,** July 14, 2010 - Hospice at Home in South Haven holds its annual Wine & Beer Tasting event on Saturday, August 7, 2010 at 6:00 pm on the majestic grounds of Dan and Mary Nulty's home on the Bluff of South Beach. With the generosity of OK Distributors and many local wineries and breweries, fine wines will be available to taste as well as specialty beer selections. Heavy hors d'oeuvres will be provided as well as a live auction and raffles.

"Most of us remember a special person who was there for us at a difficult time. We remember someone who brought comfort in the midst of crisis," states Hospice at Home Volunteer Coordinator, Beth Fones. "This event is a time to celebrate those who provide support and compassion at the end of life. It also helps us continue these services for those in need."

Wine & Beer Tasting tickets are available for \$40 per person at the South Haven Hospice at Home office on Blue Star Highway, South Haven Visitors Bureau, and Wolverine Hardware, or online at [www.hospiceathomecares.org](http://www.hospiceathomecares.org).

Hospice at Home is the local, non-profit community hospice focusing on the patient and family regardless of the patients' diagnosis, treatment choices, life expectancy, or ability to pay. It provides quality care to people adjusting to living with a serious illness, to people facing death, to people anticipating the death of a loved one, or to people healing their grief after the death of a loved one. Hospice at Home places an emphasis on the emotional, social, and spiritual needs of those who need care and those receiving support services. Serving Berrien, Cass, Van Buren, and Allegan Counties, the care is coordinated by a team of

physicians, nurses, hospice aides, social workers, spiritual care counselors, bereavement coordinators, and trained volunteers. Extending this care, Lory's Place, a bereavement and education center that builds hope and strength for every grieving family, is available to anyone in Southwest Michigan or Northern Indiana.
