Hospice at Home is the non-profit community hospice focusing on the patient and family regardless of the patients' diagnosis, treatment choices, or ability to pay. It provides quality care to people adjusting to living with a serious illness, to people facing death, to people anticipating the death of a loved one, or to people healing their grief after the death of a loved one. Hospice at Home places an emphasis on the emotional, social, and spiritual needs of those who need care and those receiving support services. Serving Berrien, Cass, Van Buren, and Allegan

Counties, the care is coordinated by a team of physicians, nurses, hospice aides, social workers, spiritual care counselors, bereavement coordinators, and trained volunteers. Extending this care, Lory's Place, a bereavement and education center that builds hope and strength for every grieving family, is available to anyone in Southwest Michigan or Northern Indiana.
