Look Good...Feel Better

(South Haven, Michigan) July 24, 2009 – Look Good...Feel Better provides information and cosmetic advice to women battling cancer. Offered free of charge, the sessions take place on the fourth Monday of each month from 5:30 – 7:00 pm at the Shoreline Rehabilitation & Wellness Center, 950 South Bailey Avenue, South Haven. The next session will be on Monday, August 24.

This program includes hands-on instruction on make-up, skin care, and suggestions for using wigs, turbans, and scarves. It also includes tips on nail care while undergoing treatment. Cosmetics are provided for personal makeovers by trained cosmetologists.

“We are proud to offer this service to our community with the help of our community partners – South Haven Community Hospital and the American Cancer Society,” states Terri Dotson, Community Relations Representative, Hospice at Home. “This program can make a huge difference in a woman’s life during a very difficult time. It provides loving care, compassionate advice, and camaraderie at a time when a woman needs it most,” continues Dotson.

Participants must register by August 6 by calling the American Cancer Society at 1-800-227-2345.
